*In Memory Of*

*The Disco Bandit - 2002-2005*

Thank you for the time you gave us to be a part of your short life and to watch you grow into a beautiful stallion. We will miss your sweet face and the warm blow of your breath as you would say "hello." You left us as a gentle giant and a young stud, but in our hearts, we will remember you as our baby and a Champion forever.
