THE AMERICAN PAINT HORSE ASSOCIATION BREEDERS TRUST PROGRAM

WANT TO INCREASE YOUR PAINT HORSE'S MARKET VALUE?

Then you'll want to be a part of the American Paint Horse Association's Breeders Trust. Whether you're a mare owner, stallion owner, or a racing or show competitor, this APHA incentive program can increase your horse's value by paying yearly cash dividends to you.

Established in 1994, APHA's Breeders Trust provides added incentive for Paint Horse owners to exhibit their horses in the show arena or on the track. The Breeders Trust pays cash dividends for points earned by nominated horses at APHA-approved events.

In fact, the Breeders Trust is the most unique incentive program in the horse industry today. Here are some of the program's latest enhancements:

- Highest stallion subscriber payback ever offered - 20 %
- Cash awarded for points earned in APHA races.
- Non-owner stallion subscriptions.
- Preferred treatment for re-subscribing stallions.
- Extended deadline for stallions standing for the first time.

The Trust is designed so that everyone responsible for the success of an outstanding foal is rewarded. The stal-

lion subscriber, foal nominator and horse's owner all share in the profit.

HOW BREEDERS TRUST WORKS

Stallions must be enrolled annually by November 30, prior to the start of the breeding season. Stallions that are standing for their first season may be enrolled without penalty until March 31 of the breeding season.

Offspring resulting from that stallion's breedings can then be nominated for life for a one-time enrollment fee, ranging from \$100 to \$800. The fee varies depending on the age at which the horse is enrolled.

No offspring will be accepted into the program after its two-year-old year, or if it has earned points in APHA competition.

Trust money is divided and paid annually, beginning when a subscribed stallion's foals reach their yearling year. Payouts are based on the total number of point-earning horses enrolled in the program and the number of points earned by those horses during a given year.

The stallion subscriber receives 20 percent of the dividend, the foal nominator receives 10 percent and the foal's recorded owner receives 70 percent.
