AZUL CABALLO AMIGOJR, AQHA # 3752782

14 crosses to JOE HANCOCK (4 through BLUE VALENTINE). This horse has a lot of bone and foot, a wonderful disposition and is very willing. He is passing this on to his foals and WOW! ... they are nice! He is a great ranch horse, roping and doctoring calves out in pasture, bringing in the "mean cow" and doing his job well. A very nice horse with an excellent mind.

High percentage roan sire of really awesome foals!
